## 2009 Fall Sports Tryout Information

With the 2009 fall season quickly approaching, we have listed the tryout schedule for our fall sports. We will update the information as it becomes available.

Parents and athletes must complete the Athletic Participation Form in the Athletic Handbook, which is available at our website [www.mchs.net](http://www.mchs.net) and at each high school campus. The completed Athletic Participation form must be turned into the Coach on the first day of tryouts before an athlete may participate. All athletes must have a current physical on file and maintain a 1.5 or above grade point average in order to participate.

You may also return the sports physical and Athletic Participation form to the Athletic Office at either campus before the tryout date. If you have any questions, please call the Athletic Office at 815.467.2140 ext. 135.
